Pastor's Perspective

"A Time of Transition"

I have had the opportunity to spend some time visiting with and touring the parsonage, the town and the church with Rev. David Ray. He is a wonderful man of God and Troy will be tremendously blessed by his ministry here. Between now and July 1st, he and I will visit several more times, hand over information and materials he will need to smoothly transition and pray for each other as we say good-bye to our respective church families and hello to new church families.

As members of the clergy family in the Central Texas Conference, David and I celebrate the ordained ministry and all the rich blessings and opportunities God places before us. As a church that practices extravagant hospitality, I know that you will welcome the Rays with open arms as you have welcomed John and me.

Over the next two months, there will be opportunities for us to share what 5 years of ministry at Troy has meant to both of us. It has been amazing to watch the growth at Troy continue and to live into the next size of a church. David will carry the church into the next stages and God will continue to guide and bless this great church.

There is a wonderful reminder from the Lewis Center for Church Leadership called 50 Ways to Welcome Your New Pastor – 2019. Below are just 10 of the top ideas on ways to begin with prayer and end with relationship building. I thought I would share the 10 with you that meant a lot when John and I arrived:

When a church is to receive a new pastor, there are things you can do to welcome your new pastor.

- Begin praying daily for the new pastor and family, even as you continue to pray for your departing pastor and family.
- Make sure the parsonage and pastor's office are clean and ready.

Pastor Perspective

- Stock the parsonage refrigerator and pantry with some basic staples. Make sure there are kid-friendly foods and snacks in the refrigerator if children are arriving.
- Have a small group on hand to greet the new pastor and family when they arrive and help as needed.
- Provide food for the first few days or give gift certificates to several of your favorite restaurants in the community.
- Plan a worship celebration of the new appointment.
- Introduce yourself to the pastor repeatedly! You have one name to learn; your pastor has many names to learn. Even if name tags are not a tradition, paper nametags for the first couple of weeks will really help.
- Provide a list of hospitals, nursing homes and community service agencies.
- Introduce the new pastor to public and community leaders.
- Ask church members in civic clubs to take the new pastor to one of their meetings.

Proud to be your Pastor,
Leslie

Meet Rev. David Ray:

I grew up in Haslet, Texas and am a cradle Methodist. My earliest memories are of my home with my parents, my grandma's and grandpa's house where I spent every Wednesday as a young child, and Haslet United Methodist Church where I was raised to know and love Jesus. I received my first call to ministry when I was 8 years old as I was looking at the stars from the passenger seat of my dad's '89 F-150 when we were coming home from the grocery store one night.

When I was in high school, I met the love of my life, Mandi at Glen Lake Camp. We became good friends, and I spent the next four years convincing her that she needed to marry me.

I went to Texas Tech University and graduated with a B.S. of Architecture in 2005. Half way through my degree at Tech, I gave into my call to ministry and began the process of becoming a pastor in the United Methodist Church. After graduating from Tech, I moved back home and enrolled at Brite Divinity School, earning my Master of Divinity in 2010. During my time at Brite, Mandi and I were married. We settled in Hamilton and I commuted to seminary, while serving as the youth director at Hico UMC. In 2008 I received my first appointment as the Campus Minister at Hill

College and Associate Pastor at Hillsboro FUMC. In 2011 I was appointed to Newcastle FUMC and Jean UMC, serving there for 5 years. While in Newcastle, Mandi and I had our children: Ellie who is now 6 and Josiah who is 4 and will turn 5 in July. In 2016 I was appointed to the churches I currently serve, Comanche FUMC and Gustine UMC.

Mandi graduated from Texas A&M with a Bachelor of English. If I were to properly state it, she's a member of the Fightin' Texas Aggie Class of 2006. She also holds a Master of Library Science from Sam Houston State University. Mandi is a teacher and has primarily taught high school English. Her greatest passion is reading and helping her students fall in love with reading as well.

While Mandi has one hobby in reading, my hobby is collecting hobbies. I love to read as well, but also I dabble in photography, wood working, gardening, hunting, fishing, shooting, keeping chickens, playing guitar and a few other instruments, and working on my truck (there's always something to fix)...to only name a few.

It's difficult to write about strengths in ministry in only a few sentences. However, I feel that one of my strengths lies in putting together and leading worship. I like to have a well thought out, cohesive, and passionate worship service that glorify our Lord and Savior, and help congregants experience the presence of the Spirit. Though I am an introvert, when given time, I develop deep relationships with those around me. I try to be an incarnational pastor, a member of the community I serve, and a representative of my God, my Savior who relies upon the Spirit in all things. I also love to teach and help others explore and grow in their faith.

My family is excited to become a part of your church family and community!

“Meet and Greet” our new Pastor

May 3rd at 6:30 pm – Covered Dish Dinner
The SPR and Pastor Leslie would like to introduce Rev. David Ray and his family to the Troy UMC family. We invite you to join us for a time to meet and greet David, Mandi, Ellie and Josiah. John and Leslie have already spent time with the Rays and want you to have a chance to meet them before David begins his appointment here July 1st. So bring a covered dish large enough to feed your family plus two – and be sure and bring a variety of main dishes, side dishes and salad. We will provide a cake for all to enjoy and tea and lemonade.

UMW

We would like to thank everyone who made our fundraiser for the sound panels in the MAC a HUGE success!! The totals were far above and beyond our expectations. What a great church family we have!!

Our next event is the upcoming luncheon we sponsor every year for the graduating class of Troy High School. This will be held on May 6th. We will need desserts from church members as we will be feeding all the seniors and their sponsors which is well over 100 people.

Our next big purchase for the church we are working toward is an industrial food warmer for our kitchen. We feel this is a real need for many events held throughout the year. Our goal is to have it purchased in time for this year's Fall Festival.

We welcome all women of the church to join us. We meet the 2nd Wednesday of the month at 5 pm. However our meeting times will change for the summer and are not set yet.

Stephen Ministers: The After People

People often ask, “What exactly is a Stephen Minister?” One way to put it is that Stephen Ministers are the *After People*.

Stephen Ministers are there:

... *after* the phone call you hoped you’d never get.

... *after* the funeral, when everyone has left and the emotions you’ve held at bay come crashing in on you.

... *after* the relationship falls apart and the bottom falls out of your life.

... *after* the doctor says, “I’m sorry, but there’s nothing more we can do.”

... *after* the nursing home director shakes your hand and says, “Welcome to your new home.”

... *after* the last child honks the horn, waves, and drives away—and the house suddenly seems empty.

... *after* the gavel comes down, the handcuffs go on, and your loved one is led away.

... *after* the baby arrives, demanding more of you than you ever dreamed possible.

... *after* you find a pink slip with your final paycheck.

... *after* your family and friends have heard your story one too many times, but you still need to talk it out.

Stephen Ministers are the After People. They are ready to come alongside you—or your friends, neighbors, coworkers, or relatives—and provide comfort and support for as long *after* as needed.
